Please provide complete details of the suggested items in your offer through Annex “B” – Technical Proposal Form- including Brand, Manufacturer, Country of origin and quality certificates.

UNHCR will consider offers for partial list of items in the ITB from responding vendors and may decide on partial award. Therefore, suppliers may wish to provide offer for either of the items in ITB.

If your offer is selected, the item to be delivered should be exactly as per the details provided in your offer.

Please provide the delivery date. Early delivery could be considered favourably during evaluation.

If your company is not already registered with UNHCR, you should complete, sign and submit with your technical proposal the Vendor Registration Form -Annex D of the ITB.

Your technical offer should contain your acknowledgement of the UNHCR General Conditions for Provision of Goods and Services by signing Annex E.
