ANNEX 1: SCHEDULE OF REQUIREMENTS

PROJECT BACKGROUND

EU4Climate Project helps governments in the six EU Eastern Partner countries including Azerbaijan to take action against climate change. It supports countries in implementing the Paris Climate Agreement and improving climate policies and legislation. Its ambition is to limit climate change impact on citizens lives and make them more resilient to it. EU4Climate is funded by the European Union (EU) and implemented by the United Nations Development Programme (UNDP).

The objective of the project is to support the development and implementation of climate-related policies by the Eastern Partnership countries that contribute to their low emission and climate resilient development and their commitments to the Paris Agreement on Climate Change. It identifies key actions and results in line with the Paris Agreement, the "20 Deliverables for 2020", and the key global policy goals set by the UN 2030 Agenda for Sustainable Development. The project will also translate into action priorities outlined in the Eastern Partnership Ministerial Declaration on Environment and Climate Change of October 2016. The project will be implemented in 2019-2022.

DESCRIPTION OF THE PROPOSED WORK

The DIY platform is an initiative of Accelerator Lab and Environmental Portfolio of UNDP in Azerbaijan. The DIY platform (<https://ozunyarat.az>) where everyone can upload their DIY contents in the form of either pre-recorded videos or written content with pictures of different steps of making process.

A DIY Campaign will be organized by UNDP Azerbaijan as the relaunch of the DIY platform – a contest for general public or kids & parents focused, or family focused where participants will have to remake things using old / unused materials at home around DIY and upcycling concepts, record the steps of making process (in video or pictures) and upload the content onto the web DIY platform.

Also, selected experts (consisting of representatives from international and local DIY and design communities) will evaluate the uploaded projects on DIY platform and select the top 10 winners.
